## Growing Sale Contract

THIS AGREEMENT, made in duplicate, this.....day of.....19...., between  
ROGERS BROS. SEED COMPANY, Inc., (a corporation) of Chicago, Illinois, party of the first part,  
hereinafter called the SELLER, and.....  
party of the second part, hereinafter called the PURCHASER, WITNESSETH:

1. The SELLER agrees to sell and deliver and the PURCHASER agrees to accept and pay for the varieties of seeds, in the amounts, at the prices, and subject to the terms and conditions hereinafter set forth.

2. The SELLER agrees to plant, or cause to be planted, during the season of 19..... an acreage of land, which will produce, under normal conditions, an amount of seed of the varieties hereinafter named, which, together with such varieties of seeds previously grown by, or for, the SELLER, and now on hand, will be sufficient to enable the SELLER to deliver the quantities of the said varieties herein contracted for, and the SELLER agrees to deliver said seeds in good merchantable condition and of good germinating quality on or about ..... or, when, after harvest time, they are ready for delivery, F. O. B. ...., containers extra at cost.

3. It is agreed that in case of partial or total failure of any or all crops planted or caused to be planted by the SELLER for the purpose of producing the varieties of seeds herein named, or, in case of damage to or destruction of, the SELLER'S seed stocks, before planting, or to the products of said plantings, or to any seed of the varieties herein named now on hand, through fire, accident or otherwise, the SELLER shall be obligated to deliver proportional quantities only, and in any event the SELLER shall have the right to reserve an amount of seed stocks equal to that used in said planting.

4. Payment by the PURCHASER of the purchase price shall be made either net by a sixty day's acceptance, or less a discount of 1½% if paid in ten days from date of shipment of seeds; PROVIDED, HOWEVER, that if, at any time, the financial condition of the PURCHASER becomes unsatisfactory to the SELLER, the PURCHASER agrees, upon receipt of written notice to that effect, and upon demand by the SELLER, to pay for the seeds forthwith in advance of delivery, less a cash discount of one half of one per cent per month from date payment is demanded to the first day of March next following. In the event that such payment is not made within ten days from the receipt of such demand for payment, the SELLER shall have the right to cancel this contract.

That the seeds sold under this contract shall be delivered to the PURCHASER upon the express agreement that the right, title and ownership of the seeds shall remain in the SELLER until the seeds are paid for in cash, and the SELLER may take possession of the seeds at any time or place until such cash payment. Payment of the purchase price of said seeds by promissory note or other instrument of deferred payment shall not divest the SELLER of his title or ownership of said seeds until said cash payment.

5. This agreement, unless signed by one of its executive officers, shall not be binding upon the SELLER until confirmed by its home office at Chicago, Illinois.

6. The SELLER gives no warranty, express or implied, as to description, quality, productiveness, or any other matter of any seeds sold by it, and it will not be in any way responsible for the crop.
